1. PROFESSIONAL PROFILE

Dr Valentine Joseph Owan is a Lecturer in the Department of Educational Psychology, University of Calabar, Nigeria. He teaches undergraduate courses in educational measurement, statistics, research methods, and assessment. His research interests include research evaluation, scientometrics, scholarly communication, psychometrics, structural equation modelling, and artificial intelligence in research. His research seeks to understand how research evaluation can be measured, explained, predicted, and improved through quantitative modelling, scientometric methods, psychometric approaches, and the responsible application of artificial intelligence. He has published widely in peer reviewed journals indexed in Scopus and Web of Science and serves as an editorial board member for different journals. He is a Fellow of the Association of Educational Management and Policy Practitioners (FAEMAPP) in recognition of his contributions to educational management, research, and scholarly practice.

2. CURRENT ACADEMIC APPOINTMENT

Assistant Lecturer

Department of Educational Psychology
Faculty of Education, University of Calabar
Calabar, Nigeria

October 2025 – Present

Duties include teaching undergraduate courses in statistics and educational measurement, supporting research and curriculum development, and contributing to academic service activities.

3. RESEARCH INTERESTS

- Research Evaluation
- Scientometrics
- Scholarly Communication
- Psychometrics
- Structural Equation Modelling
- Artificial Intelligence in Research

4. EDUCATION

Doctor of Philosophy (Ph.D) – Research, Measurement and Evaluation
University of Calabar, Calabar, Nigeria

Completed: July, 2026

Dissertation: Academic Capacity Variables and Research Publication in Mainstream Journals among University Lecturers in South–South Nigeria

Supervisors: Prof. Isaac Ofem Ubi (Chief Supervisor), Prof. Bassey Asuquo Bassey (Supervisor)

Master of Public Health (M.P.H., in progress) – Epidemiology and Biostatistics

University of Port Harcourt, Port Harcourt, Nigeria

Expected Completion: September 2026

Thesis Topic: Health-Related Quality of Life among Elderly Persons in Calabar Metropolis, Cross River State, Nigeria

Supervisors: Professor Daprim Ogaji and Prof. German E. Effa

Master of Education (M.Ed.), Research, Measurement and Evaluation

University of Calabar, Calabar, Nigeria

Awarded: March 2024 | CGPA: 5.00 / 5.00

Thesis: Multigroup mediation modelling of emotional intelligence, job satisfaction and persistence to publish in Scopus-indexed journals among university lecturers in Cross River State

Advisor: Prof. Bassey Asuquo Bassey

Postgraduate Diploma (PGD) in Public Health

University of Port Harcourt, Port Harcourt, Nigeria

Awarded: April 2025 | CGPA: 4.73 / 5.00

Project: Ensuring the safety of street foods in Nigeria.

Advisor: Prof. Best Ordinioha

Bachelor of Education (B.Ed.), Educational Administration and Planning (Economics)

University of Calabar, Calabar, Nigeria

Awarded: April 2019 | CGPA: 4.17 / 5.00

Project: Conflict management strategies and secondary school teachers' job effectiveness in Obubra Local Government Area of Cross River State, Nigeria

DOI: [10.13140/RG.2.2.35015.55200](https://doi.org/10.13140/RG.2.2.35015.55200)

Advisor: Prof. Charles P. Akpan

Nigeria Certificate in Education (NCE), Mathematics / Economics

Cross River State College of Education, Akamkpa, Nigeria

Awarded: October 2014

Project: Some causes of poor performance of pupils in primary school mathematics: A case study in Akamkpa Local Government Area, Cross River State

DOI: 10.13140/RG.2.2.11353.21604

Advisor: Dr Bassey Edu Eni

5. RESEARCH EXPERIENCE

May 2018 – Present | Research Coordinator and Data Analyst

Ultimate Research Network (URN), Calabar, Nigeria

Supervisor: Professor Bassey A. Bassey

- Coordinated research design and data collection for multiple empirical studies, including both field and online surveys.

- Managed and analysed over 200 quantitative datasets for scholars, professionals, and students using tools such as SPSS and Excel.
- Cleaned and validated large datasets to improve data integrity and ensure accurate statistical reporting.

Jun. 2023 – Nov. 2023 | Research Mentee

Spencer-Funded Large Research Grant Group, University of Calabar

Principal Investigator: Prof. Bernedette Cornelius-Ukpepi

- Co-developed the research methodology and instrumentation for the project titled: “*Access and Equity Questions in the Education of Internally Displaced Persons in Nigeria: Developing a Framework for Action*”.
- Contributed to conceptual design, questionnaire development, and pilot testing phases.

Feb. 2020 – May 2021 | Principal Research Assistant

N-Power TETFund Research Group, University of Calabar

Principal Investigator: Professor Bassey A. Bassey

- Designed the study framework and conducted an extensive literature review for the project: “*Evaluation of the Educational Component of the N-Power Programme of the Federal Government of Nigeria: Implications for Human Capital Development*”.
- Supported data collection, analysis, and preparation of interim reports for submission to TETFund.

Jan. 2024 – Present | Associate Editor

Journal of Applied Learning and Teaching (JALT), Australia

- Coordinate peer review processes for at least four manuscripts per year, ensuring timely editorial decisions.
- Provide critical feedback to authors and reviewers, and participate in strategic editorial planning.
- Promote journal visibility through academic networks and collaborative outreach.
- Participate in monthly Associate Editor meetings and biannual Editorial Board discussions.

6. TEACHING EXPERIENCE

07 October 2025 – Present | Assistant Lecturer

University of Calabar, Calabar, Nigeria.

- Perform academic and administrative responsibilities as assigned by the Head of Department.
- Deliver lectures and tutorials to undergraduate students in courses such as Basic Statistics, Test and Measurement, and Research Methods, as may be scheduled by the department.
- Support instructional delivery across related units, including the Institute of Education, where applicable.
- Contribute to departmental meetings, seminars, and other academic activities aimed at promoting teaching and research excellence.
- Participate in collaborative academic initiatives and professional development programmes that enhance pedagogical and research capacity.

Nov. 2019 – Oct. 2020 | Corps Member – National Youth Service Corps (NYSC)

Eagle's Academy, Karu, Nasarawa State, Nigeria

- Taught Computer Science to over 30 students at the secondary school level
- Adapted instructional strategies to accommodate learners' diverse abilities and interests
- Organised field excursions and social events in collaboration with fellow instructors
- Participated in curriculum delivery and student assessment as part of national service

Dec. 2016 – Jun. 2020 | Volunteer Teacher – Federal Government N-Power Programme
Government Primary School, Obufa-Esuk, Calabar, Cross River State

- Delivered interdisciplinary lessons aligned with the Nigerian primary school curriculum
- Maintained student attendance records and prepared continuous assessment reports
- Evaluated learners' academic progress and provided individual academic support

Jan. 2014 – Jan. 2015 | Director/Facilitator (Part-time)

God'stime Computer Institute, Yala-Obubra, Cross River State

- Trained students in word processing, spreadsheets, presentations, and basic graphic design using Microsoft Office and CorelDRAW
- Delivered instructional sessions on internet applications, digital literacy, and cybersecurity
- Managed a functional computer centre offering IT training and support services
- Provided basic hardware maintenance and user support across all systems

Feb. 2014 – Jan. 2015 | PTA Teacher (Part-time)

Community Secondary School, Yala-Obubra, Cross River State

- Taught Computer Science to approximately 90 Senior Secondary students
- Instructed students in productivity software including Word, Excel, and Access
- Assessed student performance and monitored academic progress
- Supervised and maintained the School ICT Resource Centre and Laboratory

7. SKILLS PROFILE

Research & Scholarly Skills

- Quantitative research design and analysis
- Mixed-methods and systematic/scoping reviews
- Electronic and field data collection methods
- Research reporting, dissemination, and correspondence
- Use of reference management tools (Mendeley, Zotero)
- Experience in research mentoring, team building, and coordination
- Skilled in high-quality academic peer reviewing

Data Analytics & Statistical Modelling

- Data formatting, cleaning, and quality assurance
- Statistical analysis using SPSS, Minitab, Stata, and JASP, etc
- Data visualisation with Tableau, Power BI and Microsoft Excel
- Structural Equation Modelling (SEM):
 - CB-SEM (AMOS), PLS-SEM (SmartPLS)
 - Latent Trait Modelling and Multi-Level Modelling
 - Mixture modelling (Latent class, cluster, profile analyses)

Psychometric Competencies

- Educational and psychological test development
- Test administration, scoring, scaling, and standardisation
- Item analysis using CTT and IRT
- Scale development and validation techniques

- Behavioural observation and measurement

Personal & Technical Strengths

- Adaptable and solution-oriented
- Strong written and analytical communication
- Effective multitasking and decision-making
- Basic computer troubleshooting and maintenance

AI Literacy & Computational Tools

- Advanced prompt engineering for academic, research, and analytical tasks
- Competent use of generative AI for research ideation, synthesis, and workflow enhancement
- Basic implementation of supervised and unsupervised learning with AI guidance
- Application of AI tools in writing, data handling, and citation management
- Awareness of ethical considerations in the responsible use of AI in academic contexts

8. MENTORSHIP & ACADEMIC GUIDANCE

Jun. 2018 – Present | Independent Academic Mentor (Informal Role)

- Provided structured mentorship to over 30 PhD candidates, particularly in research design, data analysis, and thesis organisation, based on referrals from supervisors and colleagues.
- Supported numerous masters' and PGDE students in refining their research proposals, developing methodologies, and enhancing writing clarity through feedback and guided review.
- Assisted undergraduate students across disciplines in understanding academic research processes, improving project design, and developing analytical thinking.
- Organised ad hoc one-on-one and small-group sessions to build research confidence and capacity among students facing academic challenges.

9. AWARDS & HONOURS

- Fellow, Association of Educational Management and Policy Practitioners (FAEMAPP), 2026
- Listed among the Top 500 Researchers in Nigeria (Scival/Scopus Rankings), 2021–2026
- Elected Senate President, Postgraduate Students' Union Government, University of Calabar, 2023
- Recipient, Senator John Owan Enoh's Education Grant, 2017
